PREPARING FOR YOUR FUTURE

At SL6, students receive careful guidance about the courses they should embark on according to their strengths at Key Stage 4, their subject interests and their future plans. Advice is continually provided as they progress from AS to A2 courses. Students will be well prepared for further study as they develop skills in independent study and personal organisation.

HIGHER EDUCATION AND CAREERS

SL6 will support and guide you through the process of applying for university, further education or employment. Up-to-date information is available through a wide range of resources. You will receive expert advice on how to apply for the right course and the university application process. Specialist interviews and careers advice will be available from careers staff and Connexions.

SHARING EXCELLENCE

SL6 meets students' individual needs and aspirations by offering a broad range of high-quality academic and vocational options, supported by individual guidance for each student from their personal tutor.

WELCOME TO SL6

South London Sixth (SL6) is a leading Sixth Form which builds on the strengths of its schools. It provides a range of academic and vocational courses to meet the needs of post-16 students, together with many educational, social and enrichment opportunities. SL6 students grow and develop as independent, confident and responsible adults, prepared for university and careers in the future. We wish you well in your application and study programme."
